#### Never Painted

The old Arledge house is being remodeled, after standing for nearly fifty years at the corner of 5th Ave and King streets, during which time it has never had a coat of paint.

That Hendersonville IS the wholesale distributing point for this part of the State is evidenced by the steadily increasing business of the three wholesale grocery houses here. The Calhoun-Wilkins Company now sell South Carolina merchants, reaching within 20 miles of Spartanburg.

To drive a cold out of the system, you should take a good, reliable, dependable laxative like Bee's Laxative Cough Syrup. This well known remedy gently moves the bowels and at the same time it stops the cough by allaying inflammation of the throat and lungs. Sold by Hunter's Pharmacy.

## Finlay Home Now For Sale

Magnificent Water Power On Property—All Farm Implements, Stock, Corn and Fodder to be Sold at Auction.

The old Finlay homestead is now on the market and I will consider any offer for it that is based on the value of surrounding lands.

This fine place comprises 50 acres, is on the Willow road, two miles from town. One half is cleared land, the balance in good timber.

All the cleared land is in fine condition, ready to begin profitable farming. One half the cleared land is bottom land and is very fertile.

There are four fine springs on the place, and a very fine water power which may be developed at small expense.

The water power has been utilized in the past to operate saw mill and grist mill. The old mill building is still standing and the mill stones are still there.

The city authorities have surveyed and have considered this stream of fine water as a possible source of supply for the town of Hendersonville.

There are numerous building sites on the property and Nature has done almost everything in her power to make this a beautiful home place. Its natural advantages are unsurpassed.

If anyone will make me a reasonable offer between now and November 1st, I will sell. I won't put a price on it, but want to sell, for good reasons of my own.

I intend being on the place nearly all the time between now and Nov. 1, and will take pleasure in showing it to anyone wishing to purchase.

Come and look. It's not far and is well worth your trouble.

On Thursday Oct. 28, I will auction my crop and farming implements, corn and fodder. A two-horse wagon, a three-horse disc plow, harness and a quantity of other implements and tools will be sold, all for the high dollar. Sale to begin at 10 o'clock. MARSHALL H. FINLAY.

## KEEP THE MONEY IN HENDERSON COUNTY!

Said one of the most prominent bank officials of this town to a Hustler reporter, yesterday:

"Your paper says we are paying out over \$400,000 annually for shipped feed and provisions. I believe your figures are approximately correct. Most of this money should remain at home. In the pockets of Henderson county farmers, when there would be no need of this talk of bringing factories to a town already famous as a resort."

"This money goes out of the community forever. But only a small part remains here, and it constitutes a drain upon the resources of the community which must have most disastrous results."

### Death of Harley Sizemore.

At the home of his parents in South Hendersonville, on Friday, Oct. 15th, after being confined to his bed for about three weeks suffering with pneumonia, Harley Sizemore passed away at the age of seventeen years. His remains were carried to Shaw's Creek Church on Sunday morning, where funeral services took place, Rev. G. S. Jones, officiating.

Messrs. James Guice, Geo. McCrary, Burgin Staton, William Redden, D. Laughter and Dennis Gibbs as pall-bearers tenderly deposited the casket in the grave prepared in the cemetery at that place.

### SCHOOL ELECTIONS.

The recent special school tax elections at Dana and Ficker's school house resulted in the defeat of the proposition at Dana, while the Ficker school house voted 25 to 2 in favor of the tax.
